Editor's Letter

Cranking up the heat has always been a favourite pastime of mine where Men Only is concerned, and what better way to acknowledge a new season than to add a bit of fire with some devilish beauties, who enjoy nothing more than a good stiff shafting to keep warm? Precisely, so with offerings from Staci, Destiny Dixon, Dani Maye, Ashley Molley, Brooklyn Blue and Zara Mae on the coming pages you can, can the coco!

Sitting head of the table for this issue is the saucy Amber Jayne, who let us in on how she likes to tease a cock "gently run your tongue around the head flicking the eye, while massaging the balls...", what a woman! So without further ado, I'll let you crack on.

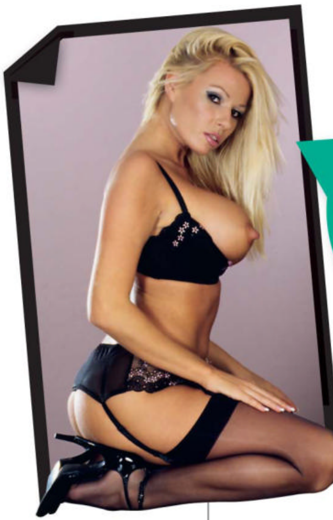
Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!



Send me your letters to: Men Only, 20 Lyon Road, Hersham, Surrey KT12 3PU or mail menonly@paulraymond.com

Dear Michelle,

My name is Chris and I thought I'd write and tell you about the fantastic time I had in Greece last month. My mates and I had booked the holiday as a guy only trip several months beforehand and I was looking forward to it so much that I worried about the whole thing being an anti climax. Thankfully it was actually better than expected, especially when I managed to shag a really sexy girl by the name of Fay.

I met Fay and her mate on the second day when it was almost time to go back to the hotel to start getting ready for another night on the town. I was bored after sleeping off my hangover from the night before and had opted for a walk along the beach while the others carried on kipping. I soon got tired and ended up perching on a rock for a rest. Taking a good look around at the other sunbathers I was disappointed to see that most of them were families or middle aged couples but, just when I'd given up hope of ogling some beauties, I spied a pair near the water's edge, both gingerly dipping their toes before deciding whether to take the plunge.

Both about eighteen, they wore tiny thongs that hid practically nothing of their arses, and they were topless. They were both blonde, both fairly tall, but the one I fancied had the biggest tits and was wearing a gold ankle bracelet that glinted in the sun. Clearly deciding not to chance the water, they turned in my direction and clocked me grinning so made their way over, picking their way through the bodies littering the beach. After introducing themselves as Fay and Claire and telling me they were student doctors, Fay hung back when Claire said she was going back to the hotel for a shower. It turned out that they were with a gang going home the following day so Fay and I arranged to leave our mates and meet later that night in a bar further along the seafront.

I took quite a lot of ribbing from my mates when I told them I was dumping them for the chance of a shag but they eventually let me out of the room. Once alone with Fay I forgot all about them, even the fear of them turning up disappeared when it became clear that Fay was only interested in one thing. After a couple of drinks she talked me into walking along the beach and we ended up down by

BETH!

Dear Michelle,

Thank God, or whoever happens to be sitting on high, I was beginning to think we'd never see Beth again in the wonderful pages of Men Only! Thankfully my worries have now dispersed, and my joy was immense when I looked through the pages of the last Men Only to see the curvy contours of Miss Bennett, complete with naughty smile may I add. Now that panics over, I can get back on with the business of enjoying myself with one of my favourite babes. There's been an awful lot of sploshing since 85.05 came out, I just can't stop! Keep up the great babes, especially Beth!
Marcus, Nottingham.

Michelle says: As if we could go any longer without featuring the bountiful Beth, there'd have been a riot!

STACI

VENTUR

Sometimes, these mags just edit themselves. But don't tell the boss that, obviously. After all, what else needs to be done with this sparkling photoset of Staci? A hot girl, some ace all-natural boobs, an inviting pussy, a cool truck and some sunshine. It's all already there. Anything we do will just ruin it. So we're just to slink off now and leave you and Staci alone...

...Continued from page 04

the water's edge, kicking the surf up over our legs as we strolled along.

You'll have gathered by now that I'm a bit of a worrier so when Fay suddenly stopped and pulled me into her arms I was grateful that she'd taken matters out of my hands. Soon, however, my hands were full of her tits as she encouraged me to fondle them through the flimsy material of her dress. I was on the verge of easing them free when she whispered in my ear that she wanted it hard and fast. Pulling me over to a gap between some rocks, she knelt down in the sand and started unzipping my fly. Easing my cock out with cool fingers, she then bent her head and licked the pre come from the tip before parting her lovely lips and wrapping them round my dick. I was so horny by then that I almost came in her mouth.

Fay didn't spend long sucking my dick, instead she stood back up and thrust her tongue between my lips. Desperate by then I whipped her dress over her head and was greeted by the gorgeous sight of her beautiful bare snatch. Not a hair marred the perfection of her plump twat. Dropping to my knees in the soft sand I spread her long, tanned legs and licked her bare muff, spreading her smooth cunt lips with my fingers to get all the lovely juices out of her slot. Cream was literally gushing from her hole. Not caring whether we could be seen from the road or not, I plunged my tongue up her cunt and fucked her with it, tasting all her tangy juices as they flowed into my mouth.

Fay climaxed as soon as my tongue flicked her swollen bud. Grabbing my head she rammed my face into her snatch and ground herself against me, coating me in pussy juice as she shuddered and gasped. While I waited a few seconds for her to get her breath back, I beat my meat a couple of times before laying her down on the sand. Parting her legs, I aimed my cock at her hole and shoved it home, banging into her all the way to my balls. Swinging her legs over my back, she welcomed my dick into her cunt and guided my mouth to her tits. Sucking on each of her engorged nipples in turn, I shagged her hard and fast, just the way she wanted. At the same time, I wet a finger in her cunt and eased it between her arse cheeks.

Keeping very still so that I wouldn't tear the delicate little ridges surrounding her dark tunnel, I slid my finger into her rectum. Fay groaned out loud, her obvious pleasure turning me on even more. Keeping my finger jammed in her bowels, I continued to fuck her until she came again, this time writhing underneath me as I kept my finger up her dirty hole. Her cunt muscles clenched around my dick, practically milking the spunk from my balls. Eager to see my white spunk decorating her tanned pussy I pulled out just as I felt my dick erupt and shot strings of jizz all over her tits, belly and bald snatch.

Fay was a glorious sight as she lay there in the moonlight with my sperm coating her young body.

Chris, London.

"I shagged her hard and fast, just the way she wanted."

Dear Michelle,

As usual, I was looking through the pages of the last issue (85.05) of Men Only, and one particular girl really caught my attention. That girl was Elle. I've never come across such a girl who is as gorgeous and lovely, with all those freckles. The moment I laid eyes on her, I immediately fell in love. Her eyes, her lips, her long red hair... She is absolutely gorgeous. And a cute little pair of tits too (not forgetting, of course, her mouthwateringly meaty flange; I'd give anything to dive into that! I hope we'll see more of her in the near future in the pages of Men Only!

Duncan, Worcester.

Michelle says: Yes, Elle caught my eye as well – a very striking looking girl with one of the juiciest pussies I've seen around in a while! We'll definitely try and lure her back sometime soon.

BROOKLYN

Brooklyn Blue– not a natural blonde judging by those eyebrows – shaved her pussy, especially for these photos.

"It's not just because it looks nicer," she informs us, "it's also that shaving makes me horny and my photos are so much better that way. I hope that my being turned on came over in the pictures and they turn you on as well!"

No worries on that front, Brooklyn...

Miss BEHAVIOUR

Real Life Adventures

I am in my second year at art college and loving every moment. My latest boyfriend, Ed, is considerably older than me. He is an artist and has sold a few paintings, but teaches at my college a couple of days a week.

> “I caressed my stomach, then, cupping my breasts I pinched each nipple...”

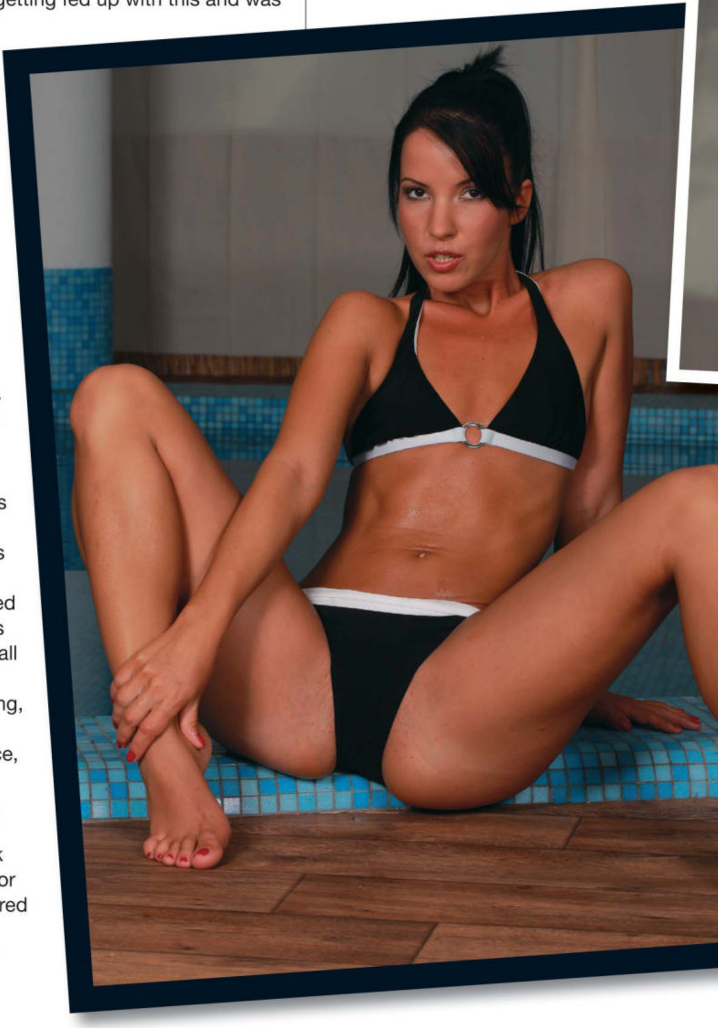
The trouble is that as he is older, he can be a bit bossy. I was getting fed up with this and was thinking of giving him the elbow, but something I read in a woman’s magazine about how taking charge in the bedroom can change your man for the better gave me pause.

I gave him an ultimatum: either he agreed to our experimenting sexually on my terms or that was that. He sulked for a few minutes but rather than lose me he agreed that in bed it was me who would call all the shots.

The next evening, before he came round to my place, I looked through what I now think of as my “box of tricks”: some silk scarves, a vibrator and some flavoured lubricant.

Ed loves me to wear stockings, so I chose a sexy suspender belt and matching bra and panty set. Adjusting the straps I slid my dress on over my head and primped my hair, then right on cue Ed phoned me. I told him to let himself in, take off his clothes and lie down on my bed, and close his eyes.

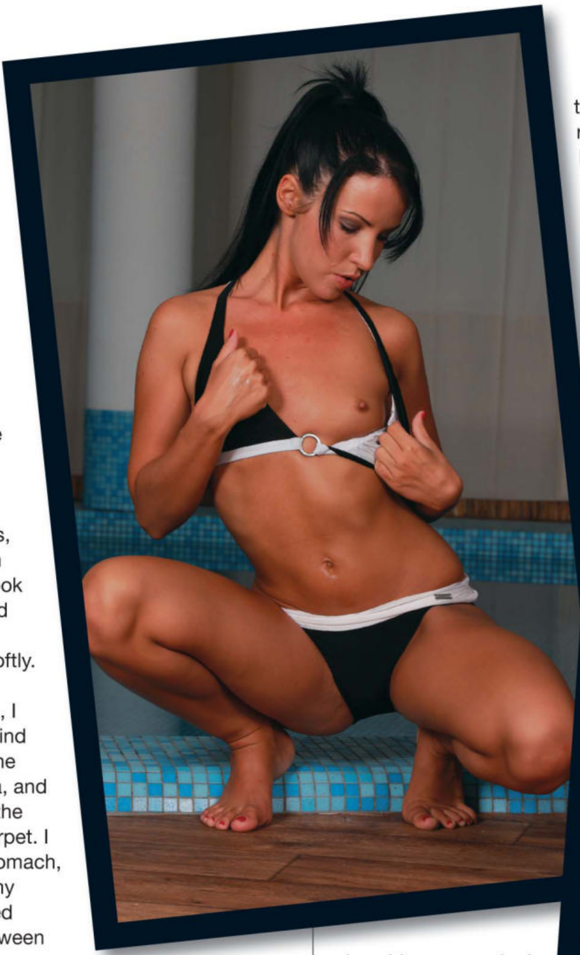
I waited in another room while he did as he was told. Then I walked into the room, turned the music on and reached for my box of tricks. Choosing two of the scarves out of the box, I gently took his left hand and tied it to the corner of the bed, and did the same with his right hand. Ed knew that at any time he could break free; I only wanted to keep his hands out of the way.



> “My hips squirmed on the bed, and I wriggled and writhed against his body.”

Reminding him to keep his eyes closed, I moved onto the bed beside him and began kissing him. I kissed him deeply, my tongue moving around in his mouth, sliding along his teeth, entwining with his.

Once I felt him totally relax, I



concentrated on his ears, sliding my tongue along the inside of his ear and biting gently on his earlobe. He trembled, and his cock stood proudly erect.

As a reward for being obedient, I gave him permission to watch me undress. Ed opened his eyes, and, standing in front of him, I took off my dress and dropped it.

He whistled softly. Knowing I had his full attention, I reached up behind me and undid the clasp on my bra, and watched it join the dress on the carpet. I caressed my stomach, then, cupping my breasts I pinched each nipple between two fingers and rolled them around, happily watching his reaction.

> “...the tiny motor sent pulses of intense sexual sensations into the heart of my pussy.”

Ordering him to close his eyes again, I bent over the bed and held my breast over his mouth, rubbing my nipple across his lips. Opening his mouth eagerly, he licked and sucked my nipple, making me moan with pleasure, and he strained at his bonds as though it was too much for him, and he needed to grab me.

“No!” I cried, pulling away from him, and reminding him that this little experiment was about me having far more control in the relationship. With a sigh, he lay back but kept his eyes open. Realising I had been pushing it a little I said nothing, just picked the vibrator out of the box and sat on the bed, directly facing him.

> “...tiny squirts of pussy juice come out as I approached climax.”

Turning on the mechanical dildo, I placed it against my clit and sighed with pleasure as it worked its magic. My hips squirmed on the bed, and I wriggled and writhed against his body as the tiny motor sent pulses of intense sexual sensations into the heart of my pussy.

Holding it firmly against my throbbing pink clit I widened my legs so Ed could watch my pussy come, the delicate pink lips contracting as they went into spasm and the tiny squirts of pussy juice come out as I approached climax.

“I took his cock-head in my mouth and gently sucked, running my tongue over the head...”

Gritting his teeth in frustration, Ed asked if I had an inkling of what I was doing to him, but I only laughed teasingly and turned up the speed up on the vibrator. Almost instantly I felt myself stiffen and arching my back I came, sighing as waves of pleasure washed over me and the vibrator was discarded.

At last, it was time for his reward, and gently I took his cock in my hand and reached down for the flavoured lubricant, rubbing some over his shaft. It smelt like cherries and tasted sweet. Stroking his shaft, I took his cock-head in my mouth and gently sucked, running my tongue over the head and down the side of his helmet. Creating a vacuum with my mouth, I sucked on his length, while cupping his balls and gently caressing them.

I knew he must be close, so tightening my hold on his cock I sucked at him faster, moving up my full lips up and down his hard shaft and working my tongue on his cock-head all the while. I took as much of him into my mouth as I could, relaxing the back of my throat, so his whole length was soon enveloped within gentle the suction of my warm lips.

“I felt him stiffen for an instant...as the first hot spurt of come filled my mouth.”

He grunted as he passed the point of no return; my hot wet mouth and my hands on his throbbing cock – it was all just too much. Then his back arched and I felt him stiffen for an instant then relax as the first hot spurt of come filled my mouth, his shaft pulsing again and again.

I stopped moving my mouth and just sucked on his cock, gently squeezing until I felt it go flaccid. Swallowing, I tasted him as his come slid down my throat.

As I unfastened his bonds, he agreed that I could be in charge in the bedroom any time I liked – an opportunity I haven’t passed up on ever since!

Beth, London.

M.O debutant Ashley comes to us from Russia, home to many of the finest glamour babes. And home to many of the dirtiest, judging by our little chat.

"I loved making anal films," she giggles.

You look far too innocent for that kind of thing.

"Maybe that's why they cast me – I don't look like your normal anal girl. But if you're any doubt as to how I like to fuck, I refer you to my website."

AMBER NECTAR

Britney Amber is an amazing looking woman and she is just getting better with age! She is a very fun-loving and sexy woman and, needless to say, Club DVD jumped at the chance to hook up for a chat.

We don't know what you've done but you look better now than you did when you started in the industry 11 years ago!
Thank you! I think the main thing is that my hair is completely natural now. I grew out anything that's ever been processed or dyed at all. When I change my hair even a little bit, I'm a completely different person. I think that my natural hair colour does it for me. As far as workouts, I've always been pretty consistent. I've been changing up things which is good for breaking plateaus. That may be helping.

How did you come up with your stage name?
Before I was doing porn, I was working at the Moonlight Bunny Ranch in northern Nevada. I used to love that show. I used to be a hotel auditor before I got into the adult industry. It was a graveyard shift from 11-7 so I would watch the Bunny Ranch and all the adult shows on HBO. I thought it would be awesome to work there. My name there was Britney Angel and when I started doing movies, he told me there were already two Britney Angels so I should probably change my name. My real first name is a 5 letter A name so I chose that. But I was really just planning on doing a few movies and be out but here I am, 12 years later! Still feeling it!

For fans that are new to you, what are some of your favourite scenes that you could recommend?
There is one that just came out from Adam & Eve, directed by Kay Brandt, The Motor Bunny Club. I love this movie so much! I had 3 scenes in this movie. Not only is it a funny movie, so well written, and I had some amazing scenes in this but every scene had the Motor Bunny. It's like a Sybian! It's the most amazing toy of all-time! And then to make it more awesome, on the last day of shooting, Kay gave me one of the motor bunnies! It's like the Motor Bunny Buck that had some karate chopping action and all these crazy attachments. It's worth thousands of dollars. It's the most amazing gift I've ever been given!

So how often do you use that Motor Bunny?
Not as much as I would like to because that thing is so loud! It's almost like a paint mixer or a lawn mower, some heavy duty equipment. The thing weighs like 50 pounds too! Even when we were shooting this movie, it was in this huge mansion, if we used it in one room, you could hear it all the way across the house! When I have some alone time, I use it, or on cam shows. Every cam show that I've done since I got the thing, I've used it. (laughs)

Are you submissive or dominant?
I am definitely dominant 100%. I can pull off being a sub but I don't really do too much BDSM stuff. I do some here and there when I'm hired by Kink. For a long time, Kink hired me only to be a sub. Just recently, I got to do two dom scenes for Everything Butt. I got to work with Penny Pax for one of them and Skylar Snow for the other. It was so exciting! I can't wait to dom more!

Have you ever dommed a guy in real life?
Yes but it was more so at the Bunny Ranch. There were a few times that I did it. There was some nasty, freaky stuff that these guys would come up with. They never cease to amaze me.

What's the nastiest thing you ever did up there?
Oh man. (laughs) There was this guy called Freaky Frank. His thing was thigh high stockings so if you were wearing thigh highs, you were probably getting picked by him. We were laying in bed and he wanted me to put on stockings that covered my vagina and went all the way up to my waist. He put on nipple clamps and would have me pull them and every time I pulled them; he would give me $20. It was just weird; I didn't really understand it. I didn't want to be too greedy but he would tell me to do it harder. But he wanted me to do it and I collected some money. I guess it wasn't gross but it was a little weird. I have a YouTube channel that I tell about some of my experiences up there. There's some really freaky stories.

Would you be willing to work with a TS girl?
Britney: Yes, for example, we were talking about Bree Mills earlier. She has a trans site and I would definitely like to do that.

Are you a size queen? Do you like huge cocks?
My average is probably bigger than most people's average but I like 8-9".

Do you have any fantasies you would like to live out on camera?
A few years ago, I wanted to be DP'd for a long time because I didn't do anal on camera. But when I finally did anal, it was a package deal with the company that I do a DP as well. That was amazing, I loved that. I tried double vag when I was in Europe working for Legal Porno. That was only for a second, but I would like to try it again and do an actual scene of that. A lot of people ask me when I'm going to do double anal. I don't know about that. I don't know if it would feel better than double vag or what. I'm still apprehensive about that. That's still quite a few years out. It will definitely happen, for sure.

What do you look for in a guy off camera?
I have been single for 6 years now. The longer that I'm single, the more I become so detached with that. When situations come up or someone's interested in me, it makes me uncomfortable or squeamish. I don't know how to react anymore! I don't even know what my preference is anymore. Maybe I should start getting back into that scene but it's really hard doing this for a living and dating someone, whether they're in the industry or not. It's really hard for many reasons.

What have you learned about yourself sexually since joining porn?
I feel like I knew myself sexually when I started but now I feel like I don't know anything at all! Maybe it's being dominant. I've always been kind of dominant in my sex life but the more and more sex I have, it comes with that. When you realize what you like and don't like; what works for you and doesn't, then you want more control. Let me take the reins.

Do you ever get recognized in public?
Yes, sometimes. It's always weird encounters though. For example, a few times at the airport but it's like, 'Do you do movies?' They don't want to just ask if you do porn, it always dances around the question and is awkward.

You just had a compilation disk released, The Dark Side of Britney Amber. Tell me about that one.
That's a compilation of scenes I've done for Dogfart. There's all kinds of good things in there. A blowbang, a gangbang, a boy/girl/girl with Keisha Grey, a gloryhole scene…there's all kinds of good things in that one.

You've won two Nightmoves Awards, 5 years apart for Best Female Performer. That must make you feel pretty good!
Oh yeah, for sure! I was so shocked to win those! I couldn't believe it. I also won my first XBiz award last year for Best Sex Scene for a clip site and that was amazing.

You have recently been in a couple of mainstream productions. First, lets talk about Girls, Guns and Blood. Tell me about that.
It's a Grindhouse style, Quentin Tarantino style action movie. I have a starring role in this movie. It's about a group of guys who rob this brothel, they kill the madam and they kill the bartender. Four of the girls come together and they come up with this revenge plot to kill these guys and get their money back. It has a really great story, and I got to really act in this movie and make this character my own. You can get it on Amazon Prime, ITunes, Google Play… all the platforms.

Then you're also in The Arrangement. What's that about?
Hopefully that's coming out at the end of this year. That's a more high budget production. It stars Eric Roberts and he plays the devil. He makes 12-year deals with people. It's a thriller/horror movie. I'm so excited about that. The trailer is out already on YouTube.

What are you like off-camera? When you have free time, what do you do for fun?
Britney: Normally, I do archery and bow hunting but lately I've been traveling so much for feature dancing that I haven't shot in a while. The last shoot I did was in May. I haven't really shot my bow too much since then. I have a few targets set up in my backyard that I shoot at. When I have a day off, my favourite hobby now is sleeping.

What kind of music do you like?
Britney: I listen to everything. Right now, I've been listening to a lot of Podcasts on Youtube. I've been listening to Queen a lot and 80s and 90s stuff.

Do you have any favourite movies?
Britney: My favorite nostalgic movies are the Hellraisers. My favorite Hellraiser is Bloodline which everybody thinks is the worst one. I don't get that at all! For a long time, Godfather was the ringtone on my phone but I just recently changed it to Jurassic Park.

And how can the fans follow you on social media?
On Twitter, I'm @Britney_Amber. And Instagram is the same.

AMBER

Photos: **BB Media**

What happens when fantasy becomes a reality? Well, Amber Jayne pops in and our day becomes that much brighter as a result. And when we get chatting to this Midlands lass her down to earth nature really shines through.

So what have you been up to during all the chaos?

"Well, apart from spending a little more time on camera saying hello to my fans, it really has just been chilling out, watching Netflix's, taking long walks and giving myself a little more TLC than usual."

You sound almost as if you've been enjoying yourself?

"Truth be told, I have if I'm honest, it's been great to actually just stop, without feeling guilty about all the things I should be doing. Still, I'm glad to be here!"

Hear, hear! Mind you, all you wonderful ladies certainly keep us on our toes; no rest for the wicked!

DANIELLE

Photos: **BB Media**

Men Only favourite Dani Maye is a sex addict. But, you know, in a good way. She keeps attempting to retire from the porn business but then keeps coming back. Is it the money?

"It's not the money! No, it's always been the sex. I get fucked more than I ever need, retire, and then after a couple of months without any cock or pussy, I come back. I can't do without it."

Can't you get sex in your private life?

"Of course, but porn sex is intense. Plus I think I like being watched. By the cast and crew, by the fans. I'm a born performer, and I perform with my pussy!"

Men Only, Paul Raymond Publications, 20 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com)

DEAR MEN ONLY,
On our 8th wedding anniversary, which fell earlier this year, my wife Polly and I decided to go away for a romantic break, just the two of us. It didn't really matter where it was; it was just to spend a bit of quality time together away from the kids! We chose a posh hotel in the middle of nowhere – so much so that it took us ages to find and by the time we arrived, we were exhausted! We decided to chill out for the night, order some room service and relax.

After we'd checked out the rest of the hotel, settled in and eaten, Polly said she wanted to get a shower and head for bed. I naturally thought that this sounded like a great idea, so I jumped up and followed her into the bathroom. We both started to undress; I intentionally went a little slower so I could watch Polly getting naked. I watched as she, noticing my rapt attention, slowly raised her blouse over her shoulder-length strawberry red hair; exposing her perfect 32C black lace-covered breast. She then removed her bra, bringing her hard pink nipples into view. Bending her well-toned 5'4 frame over, she slid her fingers under the waistband of her shorts and in one sensual motion; she pulled both them and her knickers down to her ankles. She then turned around to show me her nearly bald pussy, only a small red triangle of hair remaining, springing my member to attention immediately.

Forgetting the shower, I took Polly in my arms and kissed her tenderly. Our kisses soon turned more passionate, and when we could take it no more, we moved over to the bed. I laid Polly down on her back and spread her beautiful thighs and began to slowly, rhythmically thrust into her slick pussy. We made love until we both tired and fell asleep in each other's arms.

The next morning I awoke to a warm feeling on my very rigid cock. As my eyes opened, Polly's face came into focus, grinning as she licked and sucked the length of my shaft, while stroking me with her hands. I closed my eyes and wondered what I'd done to deserve such a treat.

As she gobbled my prick down, I ran my hand down to Polly's damp pussy lips and began to work her clit with my fingers, slowly circling it with my thumb, and as it began to swell in response, I pushed two fingers inside her damp fanny. Although Polly's body writhed against my hand, she continued working my dick until my probing fingers brought her to first small orgasm. My cock being shoved in her mouth, muffled her moans, but her obvious pleasure nearly made me lose my load. I didn't want to come just yet, though, so I pulled away; I wanted to do something a bit different.

I shifted Polly to the edge of the bed so that her head was hanging over, then stood in front of her, lowering my balls to her waiting tongue. She greedily began to lick and suck my balls, lapping my entire underside from the edge of my anus to the tip of the prick. Sliding my member between her lips, I slowly thrust in and out as she sucked the length of my shaft. Meanwhile, my fingers found her button again. I worked her clit until she was close to the brink of a second orgasm. As her orgasm grew, it was apparent that this one was going to be bigger than the last. Her body shuttered and squirmed as she sucked harder and harder on my cock. Suddenly, as her climax peaked, she grabbed my arse and pulled me deep into her throat, managing to take my entire length to the back of her throat. I erupted string after string of hot jizz into her wanton larynx.

After we'd caught our breath, Polly announced

> "I erupted string after string of hot jizz into her wanton larynx."

she wanted me to do her "in the bottom", as she got on all fours, wiggling her bum at me, cheekily.

I wasted no time and tucked in, working my tongue down the crack of her arse slowly coating the area with wetness. After a few trips up and down, I gently parted her cheeks and ran my tongue around the rim of her tight rosebud. Polly's responded with a low moan of approval. I began to probe her sphincter with my tongue, and every insertion was met with a moan and a push back toward me. Taking that as a hint, I placed the head of my cock against her backdoor and gently pushed until the initial resistance had subsided. This drew another deep moan from Polly. We'd had anal sex in the past but not often so even though my head slipped in relatively easily I still knew I had to take in slow. I began my movement slowly inward, allowing her to expand to meet me as I drove deeper into her. Gradually my pace quickened, and Polly became increasingly aroused as the thrusts sank deeper into her and I reached around and fondled her swollen clit. By now, I was pounding my wife's arse faster and harder than ever before, and she seemed to be enjoying every second. Then just as she could hardly take it anymore, I pulled out completely and paused, enjoying her pleas for me to fuck her again. I obliged, plunging my rod back into her pink puckered hole and banging away.

Unsurprisingly, it didn't take long before I was coming for the second time that day, but this time in my wife's beautiful arse. Synchronized perfectly, Polly chose that moment to climax, too, the sweat running down her brow as her back arched and she howled along with the waves of pure pleasure that washed over her.

We spent pretty much the rest of the day in bed, making the most of our peaceful time together – before having to go back home and deal with the kids!

I can't wait for next year, though…

Greg, Hounslow.

"I obliged, plunging my rod back into her pink puckered hole and banging away."

DEAR MEN ONLY,

It began, as many nights do, with a few glasses of wine. Getting a little frisky on the sofa, my girlfriend Gina started asking me questions.

"Do you have any fantasies? Like would you like me to dress up as something? How about a nurse?"

I grinned at that, "You could dress any way you liked, and I'd fucking love it! But yeah, I could see you in a nurse outfit."

At that, she gave me a big kiss, told me to put out the lights and light some candles and pour another couple of glasses of wine and wait. I did as she said, settled back on the couch and waited for her footsteps.

"Close your eyes, honey," she ordered.

I heard her moving around the room, then as I heard the distinctive sounds of fucking from the television, I sneaked a peek. She had put on a hardcore porn film – a threesome, two girls and a guy, we're just getting started. I couldn't see Gina though.

"Naughty – now you're going to have to just watch for a bit. I thought this video would turn you on."

Hearing her voice from my left, I turned to see my girlfriend dressed up as a nurse, suspenders and all. She looked amazing!

She strolled over to me, and standing in front of me began to gyrate to the cheesy music on the DVD. Her lovely tits were barely contained within her tight top, and as she stroked herself, her nipples pressed visibly against the thin fabric. She turned around to watch the action on the television – the guy on screen had one girl on his cock, and the other sat on his face.

"You'd like that, honey, wouldn't you?"

I couldn't answer, for at that moment she bent forward until she could hold her ankles, her short dress riding up over her arse, showing me she had no knickers on, a little dribble of lubrication already coming from between her lips.

I reached forwards, but she noticed, "Uh uh – you peeked. No hands!"

So I dropped my hands, and as she turned round to me, I leant back and unzipped my jeans. Gina reached into my boxer shorts and pulled out my throbbing cock. She dipped her head to suck on the head of my member, and then gripped it in one tight fist and looked up at me.

"Now, this time you get to taste me, but no hands, OK?"

She turned around once more and bent right over again, so I leant forwards until my face was buried between her cheeks, my stubble tickling her clit, my tongue between her lips and my nose pressed against her crinkled little ring.

I couldn't see the telly, but I could hear the action – and it was having a wonderful effect on her. She was wetter than ever, and we had barely started. I kept licking deep into her, tasting her, and as she got more excited, she pressed her arse back against my nose, relaxing her ring so I could almost fuck her arse with my nose while my tongue fucked her cunt.

"Mmmmmm. That's good. But I want more. Get your clothes off."

She walked away, pulling her cheeks apart so I could see her swollen lips glistening with her juices, and her sphincter clenching. But she didn't go far – just got onto her hands and knees in front of the porno, which now had the guy fucking the redhead, and the dark-haired girl was fucking her up the arse with a long strap on.

"You could do that, you know. I could really go for that," as I got undressed, I could hear her repeating the same phrase over and over, "You could definitely do that to me."

Once I had my clothes off, I noticed she had brought a vibrator as well – a big purple one. I grabbed it and plunged it deep into her.

"Ohhhhhh. Fuck me!"

I exchanged it for my cock, pistoning in and out of her hot twat, and then, following the example of the film in front of us, thought I should fit both in. With some difficulty, I slipped the vibrator alongside my cock in her cunt. God, it felt good – her muscles kept clenching, being stretched so much.

She kept banging her arse back at me harder and harder, one hand creeping across her buttock to dip a fingertip into her arsehole. I couldn't resist the temptation of that tight little hole and pulled out of her. There was a slight noise of disappointment until I moved my cunt-slick cock up to meet her fingers. She slipped her finger out of her arse and used both hands to pull her cheeks apart for me. I could see her relaxing, making herself ready for my cock.

She pressed back on me – I kept still and let her go at her own speed. Then with an almost audible pop, my cock head was past her sphincter, and she froze with a groan.

"With the toy in her cunt and me up her arse, I thought she was full..."

"Did I hurt you?" I asked.

"Noooo... just stay still. I'm nearly coming!"

She slowly slid backwards and forwards, taking more of me in each time. I slipped my fingers into her cunt again and rubbed her lovely juices around my cock as she pulled away, and with that lubrication, she slid back easily until I was balls deep within her.

With the toy in her cunt and me up her arse, I thought she was full, but she was so hot she wanted more, grabbing an empty bottle.

"Fuck me with this too!" she said, and as I eased it into her cunt, she started to move the vibrator alongside it. This felt amazing, and by the way, her groans and screams were getting louder, she thought the same, and when I also started pumping my cock in and out of her arse with the same rhythm, she started screaming my name. We had both forgotten the video, concentrated on our own little world of pleasure.

She came, clenching and bucking on my cock, but I managed to hold off until she was almost wrung out, then as she pulled the vibrator out of her, the feeling of it stroking past my cock just set me off.

I banged hard into her – uncontrollably fast, rough and hard. I even forgot about the wine bottle until it was gone – all I felt was her heat, until I came, flooding her arse with my spunk, shaking and collapsing on her back.

The next thing we noticed, there was just static on the television, and a very inviting bed waiting for us upstairs! I feel another letter coming on already.

Graham, Norwich.

Don't forget to blow (excuse me?), oh, and make a wish. Robots are falling from the sky, the dead are having trouble haunting, and family politics takes a deadly turn!

Terminator: Dark Fate

DVD £9.99
Blu-Ray £14.99

DVD of the Month

9/10

Sarah Connor (Linda Hamilton) changed the future. Still, apparently, that's not quite enough, and now fate's up for grabs too, as James Cameron returns with one of our favourite upgraded apocalyptic alien-bots. With a REV-9 Terminator on the loose you are going to expect, long and pacey action sequences, multiple explosions, and a lot of corpses along the way. Good news, Dark Fate delivers, as a REV-9 drops out of the sky on a mission from the future, to eliminate factory worker Dani Ramos (Natalia Reyes). Luckily Sarah Connor, who has been causally hunting Terminators between disasters and human soldier Grace (Mackenzie Davis) flock to the rescue. Of course, there had to be an appearance from the original man of action Arnold Schwarzenegger who reprises his role as T800 or Carl if you want to be casual about it.

This is really the sixth Terminator film, but unlike the previous sequels (discounting T2, one of the greatest squeals of all time), this latest instalment actually feels like a Terminator movie, revved up on full power. The opening assault of the REV-9 is impressive and intense in its communication of there is no escape as this hybrid Terminator oozes menace.

A fantastic addition to the Terminator family and well worth a watch if your fan of the early films.

Knives Out

DVD £9.99 Blu-Ray £14.99

A modern-day gothic pile, in New England, sets the backlit furnace for this noir drama from writer-director Rian Johnson, that gives a heavy nod towards Agatha Christie, the ultimate crime-writer, in this sumptuously dark whodunit.

Crime-writer Harlan Thrombey (Christopher Plummer) has just celebrated his 85th birthday and topped off the party by his dramatic death. For all appearance and purpose it looks like suicide but could one of his draining family have done it. There certainly are a lot of axes to grind with this bunch, and interloping sleuth Benoit Blanc (Daniel Craig), complete with cigar intends to ruffle some feathers, or knives perhaps. Knives Out is sharp, witty, absorbing and utterly delicious.

BEETLEJUICE

Beetlejuice

4K UHD £19.99

What the blazers, I remember this the first time around, and even back in 1988 it knocked the wind out of me, and now it's all pimped up in 4K it's more than worth a rewatch. Directed by Tim Burton this American fantasy comedy centres around a recently deceased couple, The Maitlands (Alec Baldwin and Geena Davis) who haunt their beloved New England home. But with some 'Yuppies' moving in they call on the help of the new occupant's teenage daughter Lydia (Winona Ryder), who all gothed up is able to see and communicate with them. After various failed attempts to get the newbies out by dismembering themselves, the ghostly couple contacts the miscreant Betelgeuse, played by Michael Keaton. Off the wall in the usual Tim Burton fashion and a joy to watch in 4K.

DESTINY

We're pretty much obsessed with boobs here at Men Only. It falls under our remit, shall we say. And as experts in this field, we're confident when we say that Destiny's milkers are among the toppermost tits we've ever seen. In fact, we think a mould should be made of them and placed in a museum for safekeeping. Of course, as custodians of this boobage, we should roadtest them first. A quick squeeze, a kiss and a suck, maybe a cheeky soapy titwank. Just to check they make the grade, that's all...

Move over Pamela, it looks like these twins have the whole steaming lifeguard situation under control, and our very own Miss Jae is showing us just how many cocks she can take!

TWINWATCH

Synopsis: “Summer is here! Beaches are full of people, and it’s really necessary to have a good team of lifeguards to keep them safe. So we have created the Private Baywatch Team. Marc Rose is the leader, and he has in his team the twins Silvia and Eveline Dellai, as well as Belle Claire, Cassie Fire, Anita Bellini and Sienna Day, who has her own float. Last, but not least, the new member of the team, the black Cuban stud Jesús Reyes, who is very well armed for this job. The girls will not hesitate to enjoy his big black cock at all times, no matter what. TwinWatch, a movie in which the rescue methods are a bit out of the protocol, but for sure can bring anyone back to life. Interracial sex, orgies, anal, DPs and facial cums in this new film by Private to make sure your summer is hot and full of vice.”
Courtesy of Private

Editor’s CHOICE

Verdict: It’s like watching a bountiful version of Baywatch, where saving lives and sex go hand in hand, as Private’s hottest twins Eveline and Silvia get their lifeguard kit off with the well-hung stud Charlie Dean after administering the kiss of life. I guess twins really do share everything as they take it in turns to consume his dick in a deep throating frenzy, which opens up into a hardcore anal fuck. But these aren’t the only two getting their kicks, as Cassie Fire and Sienna Day get friendly in the changing rooms with new lifeguard Antonio Black. Anyone who’s had a Baywatch fantasy will be in their element.

NO HOLES BARRED

Evil ANGEL

Synopsis: “Every so often, director Jonni Darkko singles out a favourite female performer for a hardcore showcase of her perverse talents. ‘Jasmine Jae No Holes Barred’ presents the titular British brick house in all of her glamorous MILF glory — taking on gangs of huge cocks in every combination, and using her righteous butt and enormous, round knockers to full advantage. Seven men fill her mouth with whipped cream, thick lube and dick in a relentless face fuck, leaving Jasmine a wet mess. She joins fellow bikini babe Juelz Ventura for a nasty foursome of ass fucking and double anal penetration with well-hung Markus Dupree and Ryan Ryder. Both sluts end up slathered in spit and cum. Moe ‘The Monster’ Johnson and Slimpoke sodomise Ms Jae with big black cocks; they scoop out a pussy creampie and feed her the goop! Jonni and Ryan add their loads to her face. Markus, Moe, John Strong and Jovan Jordan team up on Jasmine for double penetration and a blow bang. The nasty whore swallows surplus sperm. Darkko stuffs a lot of action into four hours, and into Jasmine!”
Courtesy of Evil Angel

Verdict: What can we say? Jasmine Jae has surpassed herself this time, taking no holes barred and how much you put in them to a whole new level. This is some filthy stiffening stuff with a seven dick interracial blow-bang. Yes, people seven! Well, and a Magnum by the looks of things, but Jasmine handles them all and gets drenched in spunk. A must see from director Jonni Darkko.

Men Only regular Zara Mae this month takes a little time to unwind in front of the camera.

“I’ve been ever so pent up recently, my pussy is just aching as we speak”, she gushes. “I keep going in for a hard ride and feeling all satisfied with myself, and then 10 minutes later I’m ready for another round!”

You sound insatiable my dear, so you just relax and let us take care of everything for you.
